The CWL invites all ladies of the parish, including those who are not members of the CWL, to join us for a **fun afternoon paint social** on Sunday, November 30th from 1 to 3pm in the Parish hall. Please see the display at the back of the Church. All supplies will be provided at no cost. In order for us to plan, you are required to sign up on the sheet at the back of the Church, indicating the ornament you would like to paint. The deadline to sign up is Sunday, November 16th. We hope to see you all there. As this is a social, all ladies are invited to bring an item for the refreshments. Coffee and tea will be served. Please contact Judy Chaperon at 693-3215 if there are any questions.

Knights of Columbus

DONATION FROM THE KNIGHTS OF COLUMBUS:

We gratefully acknowledge the gift of \$1,000.00 received from the Knights of Columbus Centennial Council #6074 to St. John's Church. They write:

"The members of the Knights of Columbus Council 6074 take great pleasure in continuing to support the needs of the parish". The Knights are strong supporters of the Parish, and we thank them for their ongoing support.

ADVENT GIVING TREE: Advent begins in 2 weeks, marking the beginning of a new year. As has been our custom, we will be making gift tags available to those who wish to participate in our Advent Giving Tree project. This year, we are partnering with L'Arche in Sudbury to provide gifts for their 18 Community Members, as well as some household items for their 3 houses and their Day Program. The specifics will be published here next Sunday, as well as on the tags that will be made available on November 30th. All gifts will need to be returned by the 4th Sunday of Advent (December 21st).

JUBILEE 2025 – TURN DEBT INTO HOPE

One aspect of the Christian Jubilee is the forgiveness of debt. In that light, everyone is invited to sign the petition found in the entranceways of both Churches. This is an effort put forward by Development and Peace, Kairos, and several other Christian organizations. The text of the petition follows:

“More than 3.3 billion people live in countries that are spending more on debt payments than on health or education, standing in the way of sustainable development. In many countries, debt repayments far outweigh spending on climate action and addressing the impacts of the climate crisis. For heavily indebted countries, public debt has grown so large that repayment is impossible, burdening future generations.

Meanwhile, wealthy countries, including Canada, and corporations exploit resources from heavily indebted countries and from Indigenous communities, causing human rights violations and severe ecological harm. This creates an ‘ecological debt’ owed to those countries and to Indigenous peoples. This can change. Public, private and multilateral creditors must cancel or reduce debts, and political leaders must support a multilateral framework for debt resolution. This would be a transformative shift for billions of people, moving us from a model focussed on profit and enriching creditors to one that prioritizes a just society, centering on people and the planet.

We, the undersigned, together with people all over the world, call on public, private and multilateral creditors, along with political leaders, to:

- 1. Stop the debt crisis now by cancelling and remedying unjust and unsustainable debts without economic policy conditions.**
- 2. Prevent debt crisis from happening again by addressing their root causes, reforming the global financial system to prioritize people and the planet.**
- 3. Establish a permanent, transparent, binding and comprehensive debt framework within the United Nations.”**

The petition will be available for signing for a few more weeks.

You can also sign the petition online by accessing the code on the bulletin board in St. John's Church (please sign only once).
