RCIA and Adult Education: On Wednesday nights at 6:30pm, everyone is invited to participate in our RCIA educational and discussion nights. Whether you are someone seeking basic information about the Catholic

faith with a view to possibly entering the Church, or a seasoned Roman Catholic who simply wants to learn more, you are welcome. For the rest of this year, and into January, we will be watching Bishop Robert Barron's series "Catholicism". We will be meeting in the Parish meeting room (side entrance).

Prayer Cards for Pope Leo are available in the entranceways of both our Parish Churches. Please feel free to take as many as you would like, and please pray for our Holy Father.

JUBILEE 2025 – TURN DEBT INTO HOPE

One aspect of the Christian Jubilee is the forgiveness of debt. In that light, everyone is invited to sign the petition found in the entranceway of the Church. This is an effort put forward by Development and Peace, Kairos, and several other Christian organizations. The text of the petition follows:

“More than 3.3 billion people live in countries that are spending more on debt payments than on health or education, standing in the way of sustainable development. In many countries, debt repayments far outweigh spending on climate action and addressing the impacts of the climate crisis. For heavily indebted countries, public debt has grown so large that repayment is impossible, burdening future generations.

Meanwhile, wealthy countries, including Canada, and corporations exploit resources from heavily indebted countries and from Indigenous communities, causing human rights violations and severe ecological harm. This creates an ‘ecological debt’ owed to those countries and to Indigenous peoples. This can change. Public, private and multilateral creditors must cancel or reduce debts, and political leaders must support a multilateral framework for debt resolution. This would be a transformative shift for billions of people, moving us from a model focussed on profit and enriching creditors to one that prioritizes a just society, centering on people and the planet.

We, the undersigned, together with people all over the world, call on public, private and multilateral creditors, along with political leaders, to:

- 1. Stop the debt crisis now by cancelling and remedying unjust and unsustainable debts without economic policy conditions.**
- 2. Prevent debt crisis from happening again by addressing their root causes, reforming the global financial system to prioritize people and the planet.**
- 3. Establish a permanent, transparent, binding and comprehensive debt framework within the United Nations.”**

You can also sign the petition online by accessing the code on the bulletin board in the Church (please sign only once).
